

Care Worker Induction Training – Changes

In response to the conversations with customers and prospective customers at the Care Provider meeting this August we are rejigging the format of our four-day induction to fit with your changing needs.

From November 2017 the course will run as follows:

		Am	Pm
Week one	Thursday	Awareness of Medication	SOVA
	Friday	Moving & Handling	
Week two	Thursday	Food Safety	First Aid
	Friday	Health & Safety, Fire Awareness	Infection Control, Dementia

Each certificate will list the **standards** that are included along with the subject title, for example (for SOVA);

	Standard Number
Understanding Your Role	1
Duty of Care	3
Work in a Person-centred Way	5
Communication	6
Privacy and Dignity	7

If you would like this training to be run from our Cambridgeshire training centre just let us know – Wendy
